

Alumni Volunteer Scholarship Reader Program

Help support the selection of exceptional UCEAP students for our scholarships

Overview

UCEAP alumni are warmly invited to join the scholarship review committee. Use your experience of studying in another country to review scholarship applications from students preparing to go abroad. Application Readers are an integral part of our selection process. After completing a training orientation, readers will evaluate and score applications from the comfort of their own home. To read and score applications you only need a computer or tablet with access to the internet. Reviews will take place in three cycles: March 1-15; April 1-15; October 1-15.

We receive over 2,500 scholarship applications and distribute over 500 awards each year. As alumni, you can stay involved with UCEAP and help the dream of studying abroad come true for hundreds of students. Without the generosity of alumni volunteers, it would not be possible to fulfill our mission. UCEAP thanks you for your hard work, commitment and enthusiasm.

Key Responsibilities

Readers evaluate and score Alumni Scholarships applications submitted for the academic year.
